The Honorable Paul G. Gardephe United States District Court

Southern District of New York

Lockheed Martin v. MTA Capital Construction

Docket No.: 09-CV-4077 and 09-CV-6033

Dear Judge Gardephe:

Via ECF & Façsimile

40 Foley Square New York, NY 10007

Our firm represents the Sureties in the above-referenced action. We have conferred with counsel for the MTA and Lockheed Martin, and with their consent, respectfully request an extension for submitting hard copies of the following materials from Friday July 25, 2014 to Wednesday, July 30, 2014: (i) pre-trial order; (ii) memoranda of law as between the Sureties and the MTA; and (iii) proposed findings of fact and conclusions of law as between the Sureties and the MTA. The parties are not requesting an extension in connection with the submission of the memoranda of law as between Lockheed Martin and the MTA or the proposed findings of fact and conclusions of law as between Lockheed Martin and the MTA. We request this extension because the Sureties need additional time to revise the pre-trial papers they had been preparing as a result of yesterday's ruling on the punitive damages issue.

This request does not affect the MTA's request, submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated July 24, 2014, and the submitted by letter dated by to extend the time to electronically file the pre-trial materials on Friday, August 1, 2014. Counsel also are not asking to change the pre-trial conference date of August 28 or the trial date of October 6, 2014.
